

## Micro Lesson Plan 2

**Target Audience:** Grade 9

**Time/Duration:** 10 min.

**Class Location:** 9/A

**Language skills/focus:** Speaking, writing, vocabulary, listening

**Objectives:** By the end of the lesson, students will be able to learn

- the 7r's of recycling
- the definition of reduce
- the benefits of reducing things
- how to reduce

**Materials:** computer, smartboard, whiteboard

**Warmup (2 min):** The teacher asks students "what comes to your mind when you hear the words "reducing things"? (brainstorm) Teacher writes the students' answers on the board making no comment.

Then the teacher makes students watch a short video on YouTube so that students can have an idea about the topic.
